

Maine Chapter
American Public Works Association
14th Annual
GOLF CLASSIC

September 10, 2010
Natanis G.C. - Vassalboro, ME

The 2010 Highway Congress is past history, summer is over, so kick off the Fall and join us for our 14th Annual Golf Classic. This Tournament is made possible by your gracious support, both professionally and financially. This event is held each year to stir a movement of camaraderie amongst individuals associated with Public Works around the state.

We want to thank you again for your past support and would like to invite you back for this year's event. If you have never been, please join us and make some great contacts. This year we will be having the grill going at the turn between holes so that you can pick up burgers, hot dogs, sausage, drinks, etc and keep on playing. We are hoping that this change will move the award program along faster and get us home (err I mean, back to work) earlier. This year I would like to ask all the sponsors to kick in some company paraphernalia, such as caps, shirts, tractors, dump trucks, that we can raffle off.

Your hole sponsorship helps to defray the costs of the Barbeque, trinkets and awards and is not meant to add to our organizations finances. Your contribution of \$300.00 would allow you to send two players to the tournament and place a company sign on a hole. You may send additional players for \$70.00 each. Please make checks payable to MCAPWA and send to Steve Bradstreet, Oak Engineers, 400 Commercial Street, Suite 404, Portland, Maine 04101. Fill out attached player registration form, if applicable.

Last years sponsors include:

HOWARD P. FAIRFIELD Inc.
O'CONNOR GMC
E.J. PRESCOTT
NITRAM EXCAVATING
GORRILL-PALMER CONSULTING
ENGINEERS

PIKE INDUSTRIES, Inc.
COASTAL METAL FAB
NORTRAX
OAK ENGINEERS
WRIGHT-PIERCE

If interested, please contact Steve Bradstreet at Oak Engineers at (207) 772-2004.

We look forward to seeing you,

Steve Bradstreet,
Past-President, Maine Chapter APWA
